

The Executive Group

Established in 1984, the Executive Group of Companies develops quality residential, commercial, industrial and hotel projects. Known for quality workmanship, excellent customer service and attention to detail, the Executive Group of Companies maintains its reputation by fulfilling the needs of the end user of its projects. Developing strong services and amenities as a component of its residential projects has been a landmark of Executive's developments. With over 2500 residences or single-family home lots developed and sold over the past 20 years, Executive has established itself and its reputation for successful housing projects within the Pacific Northwest marketplace.

Projects include:

- The Portofino Tower & Executive Hotel Downtown Vancouver, Canada
- The Executive Tower and Plaza Hotel Richmond, Canada
- The Executive Plaza Hotel Coquitlam, Canada
- Encore Lifestyle Residence, Coquitlam, BC, Canada
- Emerald Hills Estates Senior Living, Washington, US
- Executive Place Tower

FANA Group

Established in 1975, FANA Group is an investment company that has a diversified real estate portfolio in United States, Canada and the Caribbean.

Projects include:

- Federal Way Crossings Shopping Center, Washington
- Estancia Condominiums, Washington
- Las Terrazas Condominiums in the Caribbean

Weber + Thompson

Weber + Thompson is providing architectural services to AVA. For the past 33 years, Weber + Thompson has focused primarily on the design of mid and high-rise condominium, hospitality, and multi-use structures. Current urban residential portfolio holdings include the Cristalla, a high-rise condominium in downtown Seattle; Penterra, a one-million square foot, mixed-use project in Denver; and Hotel 1000, a five-star hotel and condominium development.
